In-house naturalist curates unique discoveries and experiences

Sterling Holiday Resorts has launched Sterling Rewild Sariska, a noteworthy addition to its distinguished portfolio of Eleven Jungle and Wildlife destinations in the Country. The resort is nestled near the renowned Sariska Tiger Reserve in Rajasthan and promises a premium stay amidst picturesque natural surroundings. With breathtaking

views of the surrounding mountains and dramatic sunsets, the property perfectly showcases the region's spectacular natural beauty and is the perfect getaway for guests from NCER and Jaipur. This marks Sterling's 5th operational resort in the State of Rajasthan, with the other resorts present in Mount Abu, Udaipur, and Pushkar.

Sterling ReWild Sariska is a brand-new resort with a built-up area of 4.2 acres and is spread across 8.2 acres within the Aravalli ranges. With heritage styled haveli rooms and upscale tent structures featuring plush décor and thoughtful interiors, the accommodations are sure to deliver comfortable stays in an outdoor themed holiday. Guests can choose from Heritage (Haveli) Rooms and Thematic Tents – Stallion Tents with a Garden View, Panther Tents with a Mountain View & Private Sit-out, Antler Tents with a Mountain View & Outdoor Shower, Family Room with Private Garden Sit-out, and Tiger Villas with a private Plunge Pool.

Additionally, guests can indulge in leisure by the outdoor swimming pool, enjoy the warmth of bonfire nights, embark on a delightful culinary journey at the in-house restaurant, The Crust, where the opportunity to savor Rajasthani delicacies and global favourites awaits.

The resort also promises a myriad of delightful experiences curated by an in-house naturalist – nature walks, birdwatching, the Dulhar Mala Village Trails, Star Gazing at night etc. Outside the resort, other than a safari in the game reserve, one can visit the Kankwari Fort, Siliserh Lake, Bhangarh Fort, and the Stargate Observatory, each a short drive away. The resort offers expansive lawns spanning more than 13,000 sq ft, providing an enchanting outdoor space for the guests to host their destination weddings, memorable events and other celebrations.

“Sterling has had a big hand in developing Sariska as a destination that has since gained prominence and attracts leisure travelers & wildlife enthusiasts. We are delighted that with this brand-new resort – Sterling ReWild Sariska, we are able to tap into this potential. There is more to the destination apart from the national park. As a quick getaway from Delhi & Jaipur, the resort is a perfect place for indulgent holidays bestowed with vibrant culture, historic charm, and unique native experiences that define the natural beauty of the region,” said Vikram Lalvani, Managing Director and CEO of Sterling Holiday Resorts.

"We are thrilled to be associated with Sterling Holidays Resorts, India's leading leisure hospitality brand. Sterling ReWild Sariska offers extraordinary experiences for travelers seeking a weekend escape or desiring a grand stay. It perfectly epitomises Sterling's core

values of offering immaculate hospitality and impeccable experiences,” said Capt. Sandeep Shekawat, Managing Director, Thar Camps.
