

Goa – Villagio

If you are a Goa lover, you will know that Goa has two faces. Lively beaches and racy nightlife or the serene and quieter beaches, Goa has it all.

Sleepy villages, quaint churches, authentic Goan cuisine, emerald fields and beaches with maybe just a few crabs digging around, that's South Goa for you. Goa – Villagio, Sterling's boutique resort, is located here in a biggish hamlet called Betalbatim.

Full-service Resort:

- 58-keys resort offers a choice of superior rooms, deluxe suites and luxury suites
- Multi-cuisine restaurant serving authentic Goan cuisine and a gourmet fare covering Indian, Chinese and Continental delights
- In-room dining service
- Jain meals can also be prepared with prior notice
- Holiday Activities Centre will engage you with a host of indoor and outdoor recreational activities

Destination Wonders:

- Swimming and beach ball at Baga, Betalbatim, Colva and other beaches
- Dolphin watching, parasailing, water skiing
- Visit to Goa National Sanctuary
