Best Luxury Family Resort

STERLING WAYANAD

An award enhances publicity and allows the brand to be more visible in the market, feels **R Dileep Nair**, Regional Head—South Resort Operations, Sterling Holidays and Resorts. “It is also a motivation for the team members who put in a lot of hard work in making the property a success. It also encourages working harder and striving for more achievements,” says Nair. He further informs that the property is located right in the middle of the jungle and offers every facility for families. “For those seeking adventure, we offer activities like zip lining, aqua zorbing, paddle boats for the kids and a host of other activities for our guests like pottery classes, etc. Thus, it makes for a curated and experiential holiday for all,” adds Nair.
