

# Ooty - Elk Hill

Udhagamandalam with the surrounding Nilgiri hills, also known as The Blue Mountains is popularly known as Ooty. The name could be reminiscent of the blue smoky haze given off by the eucalyptus trees or of the kurunji flower that blooms every twelve years giving the slopes a bluish tinge. As you ascend the snaky mountain road, views of lofty mountains, dense forests, miles and miles of green valleys and majestic eucalyptus trees surround you. And at journey's end is Ooty - Elk Hill, a Sterling Holidays resort.
