Easy Booking in 5 Steps

Encourage your team to explore the diverse beauty of India with award-winning hospitality that's tailored for their comfort with the Sterling Corporate Plus program.

Employees can access the booking portal via a designated link that can be whitelisted by IT team to prevent OTPs from going to junk folders.

An OTP will be sent to their official email for verification.

Choose the preferred resort and travel dates and finalize the reservation with a partial payment (balance at the time of check-in).
